

### Sadržaj / Table of Contents

|  |         |
|--|---------|
| A Century and a Half of<br>Telecommunications: Which Way<br>Afterwards<br><i>by Ilija S. Stojanović</i>  | .....1  |
| Predictions for the Future of Applied<br>Microwave Electromagnetics<br><i>by James C. Rautio</i>   | .....7  |
| Bežične komunikacije preko satelita:<br>sistemi za personalne / mobilne<br>komunikacije i računarske<br>komunikacije<br><i>Tulin E. Mangir</i>             | .....10 |
| Application of the Spectral Domain<br>Method to Analysis of Single and<br>Coupled Microstrip Lines on Two-<br>Layer Substrate<br><i>by Veljko Napijalo</i> | .....25 |
| Interference Consideration in<br>Networks of Small and Medium<br>Capacity Radio Relay Links<br><i>by Miroslav Perić<br/>and Dragana Perić</i>              | .....32 |
| TELSIKS '97<br>Information on 3 <sup>rd</sup> International<br>Conference on Telecommunications in<br>Modern Satellite, Cable and<br>Broadcasting Services | .....38 |

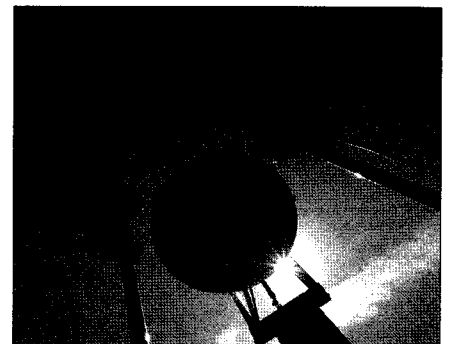

### Mikrotalasna revija

Časopis Jugoslovenskog udruženja  
za mikrotalasnu tehniku i tehnologiju  
i Jugoslovenskog IEEE MTT-S Chapter-a  
(ISSN 0354-7124, UDK 621.3.049.77)  
Adresa: Lenjinov bulevar 165b, Beograd  
Tel: 381 11 135 420 ext. 122, 138  
Fax: 381 11 311-5884  
Časopis izlazi dva puta godišnje.

Branka Jokanović, Editor  
Ivana Radnović, Technical Editor

Uređivački odbor:  
Editorial Board:

Prof. Christos Christopoulos  
The University of Nottingham, U.K.  
Dr Nikola Dekleva  
Hyperbaric Medical Center, Yugoslavia  
Prof. Aleksandar Marinčić  
Faculty of Electrical  
Engineering, Belgrade, Yugoslavia  
Prof. Bratislav Milovanović  
Faculty of Electronics, Niš, Yugoslavia  
Prof. Aleksandar Nešić  
Institut IMTEL, Beograd, Yugoslavia  
Prof. Magdalena Salazar-Palma  
Universidad Politecnica de Madrid, Spain  
Prof. Andre Vander Vorst  
Universite Catholique de Louvain, Belgium

Cover: Microwave links –  
the backbone of mobile  
communications
