

IEEE Microwave Theory and Techniques Society

IEEE MTT-S Scholarship / Fellowship program

IEEE MTT Society is proud to provide financial assistance to graduate/ undergraduate/pre-graduate students who show promise and interest in pursuing full-time programs in RF and microwave engineering. Additional travel supplement funds will be available for the awardees to attend an MTT-S sponsored microwave conference.

Undergraduate/Pre-Graduate Scholarships

Chair: Dr. Zlatica Marinković, e-mail: zlatica.marinkovic@ieee.org

Undergraduate Scholarships in the amount of \$1500 are awarded semi-annually.

Submission deadlines:

Spring semester 2016 Scholarships: **October 15, 2015.**

Fall semester 2016 Scholarships: **April 5, 2016.**

Graduate Fellowships

Microwave Engineering Fellowship

Chair: Dr. Giovanni Crupi, e-mail: crupig@unime.it

Up to 12 Graduate Fellowships in the amount of \$6000 are awarded annually.

Microwave Engineering for Medical Applications Fellowship

Chair: Dr. Roger Kaul, e-mail: rogerieeeemtt@gmail.com

Up to two Fellowships in the amount of \$6000 are awarded annually

Submission deadline for the 2016 Fellowships: **October 15, 2016.**

Detailed descriptions of the MTT-S scholarship/fellowship programs, eligibility requirements, as well as the application procedure and application forms can be found at:

<http://www.mtt.org/students.html>

Applications are submitted using the form submission web site:

http://www.mtt-tpms2.org/symposia_v6/MTTEDU/start.html

MTT-S strongly encourages students in microwave and RF engineering to apply for the Scholarships/Fellowships and to take the chance to be the next recipient.
