North Macedonia, Ohrid  
June 16-18, 2022

## INVITATION

Following the series of successful conferences, organizers are proud to invite you to the LVII International Scientific Conference on Information, Communication and Energy Systems and Technologies (ICEST 2022) will be held in the beautiful coastal town of Ohrid, North Macedonia.

The ICEST conference has its long tradition into gathering university lecturers, institute and industry researchers, and students from around the world. Scholars from various engineering fields are appreciated to submit their newly aroused ideas and recently obtained results. Ohrid, also known as "The Balkan Jerusalem" is a perfect place for sharing knowledge and active recreation.

## CONFERENCE FEES

At least one author of each paper must register and pay to attend the Conference.

**Full rates/IEEE members** 200 EUR/170 EUR  
**Student (bachelor and master) rates** 170 EUR  
**Company presentations** 200 EUR

## PAPER PREPARING

The ICEST 2022 conference invites the submission of papers on original and unpublished research.

Authors are invited to read out Call for papers for this year 2022; to find the relevant topics for the papers; and to submit the complete scientific research which has not been published elsewhere nor submitted and under review in any other conference or a journal.

The ICEST 2022 welcomes submissions related to the themes listed below, however the TPC will also consider submissions on any other aspect related to the Conference.

## CONFERENCE TOPICS

- [1] Radio Communications, Microwaves, Antennas
- [2] Telecommunication Systems and Technology
- [3] Signal Processing
- [4] Digital Image Processing
- [5] Computer Systems and Internet Technologies
- [6] Informatics and Computer Science
- [7] Electronics
- [8] Energy Systems and Efficiency
- [9] Control Systems
- [10] Measurement Science and Technology
- [11] Remote Ecological Monitoring
- [12] Engineering Education
- [13] Other
